

# Hear What Customers are saying about TigerText

## Testimonials

TigerText is just the solution we needed to help us coordinate care in a seamless, effective manner and improve overall workflow, ultimately helping to enhance our patients' safety and satisfaction.

**Martin Fee - M.D. & Chief Medical Information Officer**

*Hoag*

By using TigerText, I'd estimate that we've saved significant time in care coordination as we no longer have to play phone tag to share PHI, which means that we can deliver care faster to our patients.

**David Stewart - Director of Management Information Systems**

*Community Hospice of Texas*

TigerText is a lifesaver, we were able to simplify communications without losing any data. It helped optimize our follow-up process, relying on TigerText for all responses.

**Dr. Gill - Medical Director**

*Houston Fertility Institute*

TigerText is immensely valuable to me as it saves me a significant amount of time. It cuts out a lot of unnecessary phone calls, and that allows me to focus more time on my patients and the care they need.

**Dr. Reuben Tenroio -**

*Hospice Physicians*

RESPONSIBLE CORRECTIONAL HEALTHCARE

With TigerText our nurses cumulatively save 8-12 hours per day, allowing us to see 15 more patients per shift.

Riley Petersen - RN, Nurse Supervisor

Wellcon

COMMUNITY HEALTH CENTER

Immediate delivery means immediate action, yet missed pages left 5% of patient concerns unattended. TigerText eliminated lost message errors which translated to increased patient satisfaction.

Robert T. - CIO

El Rio Community Health Center

### San Joaquin General Hospital

*Our community's health and well-being are our highest priority...*

TigerText helped us significantly reduce overhead noise and streamline our everyday communication. We are enthused that our use of TigerText has been matched by a subsequent improvement in our HCAHPS score regarding the noise levels in several patient areas of our hospital.

Don Johnson - CIO

San Joaquin General Hospital

With TigerText, our physicians are now able to communicate patient information in a secure and protected environment across all of our organizations, enabling us to provide consistent, high quality care.

Dr. Rocco Orlando - Sr. Vice President & Chief Medical Officer

Hartford Healthcare

As healthcare's largest provider of clinical communication solutions, TigerText helps physicians, nurses, and other staff communicate and collaborate more effectively, accelerating productivity, reducing costs, and improving patient outcomes. With 6,000 facilities, 99.99% uptime, and over 10 million messages processed each day, TigerText continually delivers advanced product innovations and integrates with critical hospital systems such as the EHR, nurse call, and scheduling solutions.
